Give Me a Chance : "Dignity in Education" - Nouria Nagi, YERO

"Those who educate children well are more to be honoured than they who produce them; for these only gave them life, those the art of living well" - Aristotle

Nouria Nagi, Director, YERO, Yemen Education and Relief Organisation, Sana'a, will be honoured by the Queen in her Birthday Honours List 2012 (Diplomatic Service and Overseas List - Order of the British Empire) for service to charitable work transforming the lives of women and children in Yemen. The British-Yemeni Society is delighted to join in honouring and celebrating Nouria's achievements and the remarkable work of YERO. It is with great pleasure that British Yemenis welcome Nouria on this very meaningful occasion, for Yemen, Yemenis, British-Yemenis, and for Britain.

There will be a stall of arts and crafts made by Yemeni women and children.
